Promosi investasi kolaboratif melalui website point.jatimprov.go.id - Memo Info IPRO Pengembangan Kopi dan Sarana Pengolahannya, Desa Penggung, Kecamatan Nawangan, Kabupaten Pacitan

The screenshot displays a web browser interface with the URL <https://point.jatimprov.go.id/public-potensi-detail/4850>. The main content is a detailed investment memo for a coffee village project. The memo is structured into several sections:

- KAMPUNG KOPI**: Overview of the project, including location (Desa Penggung, Kecamatan Nawangan, Kabupaten Pacitan), coordinates, and contact information (Sama Kognama - 021-870).
- ANALISIS LEGAL**: Details on land ownership (RT/RW, Lahan milik desa) and legal status (Peta No. 06/78/2019, Peta No. 7/78/2012).
- ANALISIS TEKNIS**: Focuses on coffee cultivation and processing, mentioning the need for infrastructure and technical expertise.
- ANALISIS PASAR**: Discusses market potential, citing the success of 'Lodji Koffie' as a reference point.
- ANALISIS RESIKO**: Identifies risks such as land ownership issues and infrastructure challenges.
- SOSIAL & LINGKUNGAN**: Addresses social and environmental aspects, including community involvement and land use planning.

The memo includes a 'MEMO INFO IPRO 2022' badge and a 'LODJI KOFFIE' logo. Below the main text, there is a 'GALERI' section featuring four images: a conceptual rendering of the coffee village, a master plan map, a 3D landscape visualization, and another conceptual rendering of the village buildings.
